## REQUEST FOR ASSISTANCE FOR EMERGENCY PROJECTS

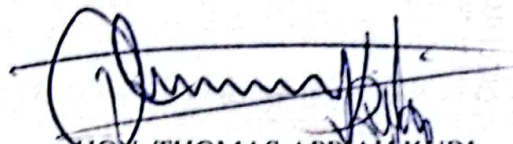

The Mampong Municipal Assembly is seeking to provide the needed socio-economic infrastructure to improve the living condition of the people in the Municipality.

In view of the wide spread nature of the infrastructural needs of the Municipality coupled with unavailability of funds, the Municipal Assembly is therefore soliciting for your support to help in the construction of the following projects:

1. Construction of 1no. 6-unit classroom block with supply of furniture and ancillary facilities at Nkwanta Primary School
2. Construction of 1no. 6-unit classroom block at Nwaadan
3. Provision and installation of solar panels for the Mampong Municipal Assembly's Administration Block
4. Provision and installation of solar panels for the Mampong Education Office.
5. Provision of support to Technical and Vocational Education and Training (TVET) especially in the Information technology (IT) aspect.

We would therefore be grateful if you could support the Mampong Municipal Assembly with the emergency projects to improve teaching, learning and socio-economic activities in the Municipality

We count on your usual co-operation

HON. THOMAS APPIAH KUBI  
(MUNICIPAL CHIEF EXECUTIVE)
