Apprenticeship application form 2025

Turbo Ghana supports a small number of apprenticeships in professions including builder, electrician, tailor, and tiler. Other trades are considered too. The deadline for applying is 31 October 2025. You can complete the form on a computer or on paper, and you can email it to info@turboghana.org or give it to Ms Vivian Danso or Hon. Kwasi Alare. Shortlisted candidates will be interviewed in October or November 2025.

Please give as much detail as you can on the form. If you don't give details, we will not be able to evaluate your suitability and you will not be invited to interview.

For more details on the scheme, please go to Turbo Ghana's website, and click "Blog" and "Apprenticeship application".
